Subject: Clinton e-mail search warrant FOIA request

To the FBI FOIA department,

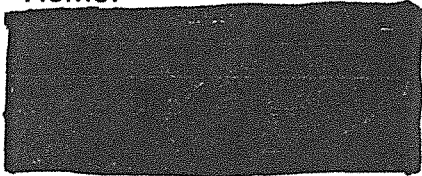

I have not seen it in any published reports online, so I would like to make a FOIA request for the **search warrant and related application, affidavits and receipts** used by the FBI and Justice Department to obtain the review of Huma Abedin's e-mails related to Hillary Clinton, as discussed in this New York Times story from October 30, 2016.
